1 **Section I**
2 **Introduction & Description of Delegate Selection Process**

3 **A. Introduction**

4 1. Washington State has a total of 107 delegates and 7 alternates. (Call I &
5 Appendix B)

6 2. The delegate selection process is governed by the Charter and Bylaws of the
7 Democratic Party of the United States, the Delegate Selection Rules for the 2020
8 Democratic National Convention (“Rules”), the Call for the 2020 Democratic National
9 Convention (“Call”), the Regulations of the Rules and Bylaws Committee for the 2020
10 Democratic National Convention (“Reg.”), the Charter and Bylaws of the Democratic
11 Party of Washington State, the rules of the Democratic Party of Washington State and
12 this Delegate Selection Plan, and the Washington State election code to the extent that
13 such laws and administrative rules do not conflict with the express inclusion or
14 omission within the plan of a contrary rule. (Call II.A.)

15 3. Following the adoption of this Delegate Selection Plan by the Washington State
16 Democratic Central Committee (“WSDCC”), it shall be submitted for review and
17 approval by the DNC Rules and Bylaws Committee (“RBC”). The State Democratic
18 Chair shall be empowered to make any technical revisions to this document as required
19 by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure
20 its full compliance with Party Rules. Such corrections shall be made by the State
21 Democratic Chair and the Plan resubmitted to the RBC within 30 days of receipt of
22 notice of the RBC’s findings. (Reg. 2.5, Reg. 2.6 & Reg. 2.7)

23 4. Once this Plan has been found in Compliance by the RBC, any amendment to the
24 Plan by the Washington State Democratic Party will be submitted to and approved by the
25 RBC before it becomes effective. (Reg. 2.9)

26 **B. Description of Delegate Selection Process**

27 1. Washington State will use a proportional representation system based on the
28 results of a presidential preference primary for apportioning delegates to the 2020
29 Democratic National Convention. Individual delegates will be selected through a caucus
30 and convention system.

31 2. The “first determining step” of Washington State’s delegate selection process will
32 occur on March 10th, 2020, with a state-run primary. Individual delegates will be
33 selected at subsequent caucus and state party meetings. The results of the primary will
34 determine the proportions for the entire delegate selection process.

35 **C. Voter Participation in Process**

36 1. Washington’s Democratic presidential preference primary on March 10th will be
37 used to allocate delegates among presidential candidates and is open to all voters who

1 wish to participate as Democrats. Participation will be by mail in ballot, with separate
2 ballots for each party. For a ballot to be counted in the Democratic primary the voter
3 must subscribe to a declaration provided by the State Party to the Secretary of State
4 which will include a statement that the voter is a Democrat and that their participation is a
5 matter of public record. If the voter returns ballots for more than one party or fails to
6 subscribe to the declaration their vote will not be counted. Washington has same day
7 voter registration, so the last day to register will be the same as the primary, March 10,
8 2020.

9 a. Participation in Washington State’s delegate selection process is open to
10 all voters who wish to participate as Democrats. Those who wish to
11 participate in the delegate selection caucus and convention process who
12 are not currently registered to vote may register to vote at the caucus or
13 convention and then participate on the same day. This includes any 17-
14 year-old who will be eligible to vote on Tuesday, November 3, 2020.

15 b. Washington does not have party registration. Washington State’s voter
16 registration or enrollment procedures deadlines, including the party
17 caucus, to register to vote for purposes of determining participation are in
18 compliance with DNC rules. Voters participating in the delegate selection
19 process to elect delegates to the congressional district level caucuses will
20 publicly declare their Democratic Party preference and have that
21 preference publicly recorded through the use of caucus registration forms
22 that will clearly state at the top of the page “I am a registered voter, or a
23 pre-registered 17 year old who will turn 18 on or before November 3,
24 2020, residing in the legislative district named above. I consider myself to
25 be a Democrat and I agree that my attendance at this caucus is a matter of
26 public record.” (Rule 2.A & Reg. 4.3)

27 c. The Washington State Democratic Party has worked with the legislature
28 and county elections officials to ensure that state run elections comply
29 with the following voter enfranchisement and access principles:

30 (1) Washington law requires the maintenance of secure and
31 accurate state voter registration rolls, so that every eligible
32 Washingtonian who registers to vote has their personal information
33 protected and secure; (Rule 2.H.1)

34 (2) Washington State pioneered the use of a statewide voter
35 database over 25 years ago for the purposes of ensuring accuracy
36 of voter rolls without conducting “purges” of voters. All
37 Washington counties fully comply with all federal laws regarding
38 voter list maintenance, and have robust state administrative
39 procedures requiring an audit process as voter data is being
40 maintained in the files to ensure as best as possible that no eligible
41 voter is removed from the rolls.

1 (3) The Office of the Secretary of State follows all best
2 practices and modern initiatives in cybersecurity. By policy,
3 tabulation databases are never directly connected to the internet,
4 nor is the voter registration database of record, among other robust
5 security

6 (4) Washington is a vote by mail state. Each county maintains
7 at least one voting center during elections, which deploys state of
8 the art precinct-based optical scan devices, each of which is
9 compatible with each home county's optical scan devices used to
10 tabulate the vote by mail ballots. All are maintained and audited on
11 a rigorous schedule.

12 (5) Washington only uses optical scan systems with paper
13 ballots, which in and of themselves provide a voter-verified paper
14 record.

15 (6) Washington has a well-defined and robust audit process
16 built into the canvass process for each election. In every county, a
17 full race is pulled by lot, and several random precincts are drawn
18 by lot for an immediate hand count to compare results for the
19 purpose of audit.

20 (7) All voting systems utilized in Washington follow all federal
21 laws for testing and certification, and more importantly follow
22 Washington election law which is more robust than federal law in
23 these areas.

24 (8) The use of secret ballots is prohibited (including in the
25 selection of anyone who serves on the DNC) except in the first
26 determining step of the delegate selection process. (Rule 2.F)

27 d. Washington State is a leader nationally in election integrity, security and
28 voter access and enfranchisement. For voters with limited ability to leave
29 home, and all other voters, ballots are mailed directly to them and voters
30 are provided a postage-paid envelope to return them from home. A
31 physical voting center is maintained in each county elections office, which
32 has ADA accessible voting devices, including "sip-and-puff" and audio
33 technologies, allowing blind voters and voters with motor control issues to
34 vote a secret, secure, independent ballot.

35 e. The Washington State Democratic Party has worked with the legislature
36 and county elections officials to assess and improve participation in state
37 run elections and that will include the presidential preference primary,
38 occurring on March 10th. (Rule 2.I and 2.I.1) Washington has a vote by
39 mail system automatically giving voters access to early voting and no
40 excuse absentees. Ballots are mailed out at least 18 days in advance and

1 voters can send them in at any time on or before Election Day. Ballots for
2 military and overseas voters are mailed out 45 or 30 days in advance of the
3 election depending upon assignment. Washington also has same day voter
4 registration, so voters can go to the county elections office, register, and
5 vote up to Election Day.

6 f. Washington is a 100% vote by mail state. All Registered voters receive a
7 ballot with pre-paid return envelopes so most voters can complete the
8 ballot at home and return it at the nearest mailbox. All Ballots must be
9 postmarked by March 10th to be counted. However, every County
10 maintains a voting center, similar to a polling place, for the duration of the
11 vote by mail period which starts 18 days before the election. Ballots
12 returned to the wrong voting center are required by law to be forwarded to
13 the correct voting center, and counted; see Washington Administrative
14 Code 434-262-032 (5). This polling center includes fully ADA accessible
15 voting machines so that mobility impaired and blind voters have the
16 opportunity to cast a secret ballot. (Rule 2.I.1.b), (Rule 2.I.1.c) Any
17 identification requirements are handled during registration eliminating
18 onerous and discriminatory voter identification requirements during
19 voting. (Rule 2.I.1.d)

20 2. As part of encouraging participation in the delegate selection process by
21 registered voters, the Washington State Democratic Party supported the passing of
22 legislation that made voter registration easier, including supporting: (Rule 2.I.2)

23 a. Washington State passed laws that ensure online voting registration, same
24 day voting registration, and automatic voting registration. (Rule 2.I.2.a)

25 b. House Bill 1513, which allows 16 and 17-year-old high school students to
26 pre-register so that they are already registered once they reach voting age;
27 (Rule 2.I.2.b)

28 c. Washington State's Secretary of State's position of restoring voting rights
29 to all people who have served the time for their criminal conviction,
30 without requiring the payment of court fees or fines; (Rule 2.I.2.c) and

31 d. House Bill 2595, which automatically registers citizens to be able to vote
32 for the Democratic presidential nominating process. (Rule 2.I.2.d)

33 e. At no stage of Washington State's delegate selection process shall any
34 person be required, directly or indirectly, to pay a cost or fee as a
35 condition for participating. Voluntary contributions to the Party may be
36 made, but under no circumstances shall a contribution be mandatory for
37 participation. Optional contributions may be requested but will in no way
38 be required. (Rule 2.D & Reg. 4.4)

1 f. No persons shall participate or vote in the nominating process for the
2 Democratic presidential candidate who also participates in the nominating
3 process of any other party for the corresponding elections. (Rule 2.E)

4 g. No person shall vote in more than one meeting that is the first meeting in
5 the delegate selection process. (Rule 3.E & Reg. 4.6)

6 3. Scheduling of Delegate Selection Meetings

7 a. The dates, times and places for all official Party meetings and events
8 related to the state's delegate selection process have been scheduled to
9 encourage the participation of all Democrats. Such meetings will begin
10 and end at reasonable hours. The State Party has selected the dates and
11 times of all official meetings and events, and will ensure that proper
12 facilities are selected. Meetings have been scheduled with consideration
13 for religious observations that could significantly affect participation.
14 (Rule 3.A & Reg. 4.5)

1 **Section II**
2 **Presidential Candidates**

3 **A. Ballot Access**

4 1. A presidential candidate gains access to the Washington presidential preference
5 primary ballot by having the Washington State Democratic Party chair submit to the
6 secretary of state the names to appear on the ballot no later than sixty-three days (Friday,
7 January 7, 2020) before the presidential primary. Once submitted, changes must not be
8 made to the candidates that will appear on the ballot, including the uncommitted
9 preference. (RCW 29A.56.TBD) No later than the seventh day (Tuesday, March 3, 2020)
10 before the presidential nomination primary, the WSDCC Chair must submit to the
11 secretary of state the names of write-in candidates, if any, to be counted for the
12 Democratic Party. (RCW 29A.56.TBD)

13 2. Presidential candidates, who are eligible by DNC rules to obtain delegates will be
14 required to submit a petition for candidacy to the Chair of the Washington State
15 Democratic Party with 1,000 signatures of Washington State Voters who publicly declare
16 themselves to be Democrats, and a \$2,500 administrative services fee. Forms for the
17 statement of candidacy and petition will be available prior to September 1, 2019. The
18 forms must be received no later than Friday, January 3, 2020, by 5:00 pm, and must be
19 returned by certified mail to Washington State Democrats, PO Box 4027, Seattle WA
20 98194, or in person to the party affairs staff at the office of the Washington State
21 Democrats, 615 2nd Ave., Suite 580, Seattle WA 98104.

22 **B. Other Requirements**

23 1. Each presidential candidate shall certify in writing to the State Democratic Chair,
24 the name(s) of their authorized representative(s) by Friday, January 3rd, 2020. (Rule
25 13.D.1)

26 2. Each presidential candidate (including uncommitted status) shall use their best
27 efforts to ensure that their respective delegation within the State delegation achieves the
28 affirmative action and inclusion goals established by this Plan and is equally divided to
29 the extent practicable between men and women. (Rule 6.I & Rule 7) In the case there are
30 non-binary gender delegates, the variance between male and female should not be larger
31 than one.

32 3. Each Presidential campaign shall file a statement with the Washington State
33 Democratic Party office as to how they plan to meet the affirmative action and inclusion
34 goals established by this Plan, including, but not limited to, procedures by which persons
35 may file as candidates for delegate or alternate. The statement must be received via
36 certified mail at Washington State Democrats, PO Box 4027, Seattle WA 98124; or hand

38 580, Seattle WA 98104 at no later than Monday, September 16, 2019. (Rule 6.H.1)

1 **Section III**
2 **Selection of Delegates and Alternates**

3 **A. Congressional District-Level Delegates**

4 1. Washington State is allocated 58 congressional district-level delegates.
5 Washington State has chosen to elect all alternates alongside the at-large delegates, so no
6 alternates will be elected at the congressional district-level. (Rule 8.C, Call I.B, Call I.I,
7 Call Appendix B & Reg. 4.31.C)

8 2. Congressional district-level delegates shall be elected by the following Primary
9 and Caucus System:

10 a. The presidential primary will be conducted by the State of Washington on
11 the second Tuesday in March, March 10, 2020. The results of the
12 presidential primary will determine the allocation of delegates for the
13 delegate selection portion of the process. The primary will be certified on
14 March 20, 2020.

15 b. The first step of the delegate selection process will be the legislative
16 district (LD) caucuses to be held on Sunday, April 26, 2020. Attendance at
17 the LD caucuses will be open to any voter residing in the LD who is
18 willing to publicly identify as a Democrat by subscribing to the same
19 declaration required for participation in the presidential primary, indicates
20 a presidential preference and will be 18 on or before November 3, 2020.

21 c. Washington State residents who are not qualified to register to vote
22 because of age, citizenship, or status of being under the control and/or
23 supervision of the department of corrections, shall be allowed to
24 participate in the platform and resolution discussions, but not vote on the
25 election of delegates or alternates, nor may they be elected as delegates or
26 alternates. Washington residents aged 16 or 17 may pre-register to vote,
27 and participate in the platform and resolutions discussions, but only those
28 who will be 18 on or before November 3, 2020 may vote and be elected as
29 delegates or alternates.

30 d. Voters participating in the delegate selection process at the delegate
31 selection meetings will publicly declare their Democratic Party preference
32 and have that preference publicly recorded through the use of caucus
33 registration forms which will clearly state at the top of the page or on the
34 electronic version "I am a registered or pre-registered voter in the precinct
35 named above, who will be 18 years of age on or before November 3, 2020.
36 I consider myself to be a Democrat and I agree that my attendance at this
37 caucus is a matter of public record". The registration form will also
38 include a section for recording a voter's presidential preference.

- 1 e. Attendees will be separated by presidential preference to select delegates
2 to the second tier, the congressional district caucuses. Where a legislative
3 district has precincts in more than one congressional district the attendees
4 will also be broken into sub-caucuses by congressional district.
- 5 f. The size of each legislative district delegation to the congressional district
6 caucuses is determined by a formula giving equal weight to the number of
7 active registered voters in each legislative district and an average of the
8 Democratic presidential and gubernatorial vote in the 2016 general
9 election. Proportions of delegates elected will be determined by the
10 proportions of the votes cast in the presidential preference primary for
11 each presidential candidate in the legislative district. Delegates to the
12 congressional district caucuses elected at the LD caucus will also be
13 delegates to the state convention.
- 14 g. County conventions will be held on Sunday, May 3, 2020 commencing at
15 1:00 p.m. County platforms are adopted, and resolutions are passed on
16 issues of concern to the body. Alternatively, county conventions whenever
17 a County is entirely within a single legislative district may be held on the
18 same date, in the same location as the legislative district caucus, as long as
19 ample time is scheduled for each meeting.
- 20 h. The second tier of the process for electing district level delegates will be
21 the congressional district (CD) caucuses. The CD caucuses will be held on
22 Saturday, May 30, 2020, commencing at a time and site designated by the
23 State Democratic Chair. The delegates elected at the LD caucuses will be
24 the voting members, but non-delegates may run for positions as district
25 level delegates to the national convention. As with the LD caucuses,
26 attendees will be separated by presidential preference to select delegates to
27 the national convention.
- 28 (1) The first step of the delegate selection process will be the
29 legislative district caucuses which will be held on Sunday, April
30 26, 2020 commencing at 1:00 p.m. Delegates to the congressional
31 district caucuses are elected.
- 32 (2) County conventions will be held on Sunday, May 3rd, 2020
33 commencing at 1:00 p.m. County platforms are adopted, and
34 resolutions are passed on issues of concern to the body.
- 35 (3) The second-tier congressional district caucuses are held on
36 Saturday, May 30, 2020 commencing at a time and site designated
37 by the State Democratic Chair. At this level, 58 congressional
38 district-level delegates are elected based upon the will of those
39 delegates properly credentialed and registered at the meeting.
- 40 3. Apportionment of Congressional District-Level Delegates

- 1 a. Washington State’s congressional district-level delegates are apportioned
2 among the congressional districts based on a formula giving equal weight
3 to the vote for the Democratic candidates in the 2016 presidential and
4 gubernatorial elections.
- 5 (1) Given that the State Party believes that congressional district-level
6 delegates should be allocated in a way that best reflects the
7 distribution of Democratic voters in Washington State, in the
8 absence of formal voter party registration the State Party has
9 traditionally used presidential and gubernatorial performance from
10 the previous Presidential election year to determine the number of
11 Democratic voters in a region. (Rule 8.A, Call Appendix A, Reg.
12 4.10 & Reg. 4.11)
- 13 b. The number of men and the number of women in each congressional
14 district’s delegations will not vary by more than one. If practicable, the
15 number of men and the number of women in the state’s total number of
16 district-level delegates will not vary by more than one. Any gender non-
17 binary delegates elected shall not be counted as either a male or female at
18 any stage of the process. (Rule 6.C.1 & Reg. 4.8)
- 19 c. The congressional district-level delegates are apportioned to districts as
20 indicated in the following chart and a binary gender advantage is
21 designated for each:

Congressional District	Delegates			
	Males*	Females*	Binary Gender Advantage	Total
CD 1	3	3	Male	6
CD 2	3	3	Female	6
CD 3	3	2	Male	5
CD 4	1	2	Female	3
CD 5	2	2	Male	4
CD 6	3	3	Female	6
CD 7	5	6	Female	11
CD 8	3	2	Male	5
CD 9	4	3	Male	7
CD 10	2	3	Female	5
Total	29	29	Even	58

*unless one or more gender non-binary delegates are elected

d. A gender non-binary candidate for delegate is a candidate that does not identify with either gender. A gender non-binary candidate for delegate shall be declared elected if they receive more votes than the candidate of the district's advantaged binary gender who has the lowest vote total but would otherwise be elected. If the current advantaged gender who would be declared elected but for the higher votes of the gender non-binary candidate, then the following shall apply: When a gender non-binary candidate is declared elected the current advantaged binary gender of the district shall change to the other binary gender, that is if a self-identified male would have been elected, the next elected delegate switches to female or vice-versa, and shall remain so unless and until another gender non-binary candidate is elected in the same district.

e. The legislative district caucuses will also use the formula that gives equal weight to the vote for the democratic candidates in the most recent Presidential and Gubernatorial elections to allocate delegates by districts. (Rule 8.B)

4. Congressional District-Level Delegate Filing Requirements

- 1 a. A congressional district-level delegate and alternate candidate may run for
2 election only within the district in which they are registered to vote. (Rule
3 13.H)
- 4 b. An individual can qualify as a candidate for congressional district-level
5 delegate or alternate to the 2020 Democratic National Convention by
6 filing a statement of candidacy designating their singular presidential (or
7 uncommitted) preference and a signed pledge of support for the
8 presidential candidate (including uncommitted status) which must be
9 received by the State Party by no sooner than Monday, March 23, 2020
10 8:00am and no later than Monday, May 3, 2020 at 5:00 p.m. A delegate or
11 alternate candidate may modify their singular presidential preference by
12 submitting an updated pledge of support no later than the filing deadline.
13 (Rule 13.B, Rule 15.F & Reg. 4.23)
- 14 5. Presidential Candidate Right of Review for Congressional District-Level
15 Delegates
- 16 a. The State Democratic Chair shall convey to the presidential candidate, or
17 that candidate's authorized representative(s), not later than Friday, May
18 13, 2020 at 5:00pm, a list of all persons who have filed for delegate or
19 alternate pledged to that presidential candidate. (Rule 13.D & Rule 13.F)
- 20 b. Each presidential candidate, or that candidate's authorized
21 representative(s), may then file with the State Democratic Chair by
22 Thursday, May 26, 2020 at 5:00pm a list of all such candidates they have
23 approved, provided that approval be given to at least three (3) separate
24 individuals for each position for delegate. (Rule 13.E.1, Reg. 4.24 & Reg.
25 4.25)
- 26 c. Failure to respond will be deemed approval of all delegate candidates
27 submitted to the presidential candidate unless the presidential candidate, or
28 the authorized representative(s), signifies otherwise in writing to the State
29 Democratic Chair not later than Thursday, May 28, 2020 at 5:00 p.m.
- 30 d. National convention delegate candidates removed from the list of bona
31 fide supporters by a presidential candidate, or that candidate's authorized
32 representative(s), may not be elected as a delegate at that level pledged to
33 that presidential candidate (including uncommitted status). (Rule 12.E &
34 Reg. 4.23)
- 35 e. The State Democratic Chair shall certify in writing to the Co-Chairs of the
36 DNC Rules and Bylaws Committee whether each presidential candidate
37 (including uncommitted status) has used their best efforts to ensure that
38 their respective congressional district-level delegate candidates meet the
39 affirmative action and inclusion considerations and goals detailed in the
40 Affirmative Action section of this Plan within three (3) business days of

1 returning the list of approved congressional district-level delegate
2 candidates as indicated in section III.A.5.b of this Plan.

3 6. Fair Reflection of Presidential Preference

4 Presidential Primary – Proportional Representation Plan (Rule 14.A, Rule 14.B
5 & Rule 14.D)

- 6 a. The Washington presidential primary election is a “binding” primary.
7 Accordingly, delegate and alternate positions shall be allocated so as to
8 fairly reflect the expressed presidential (or uncommitted) preference of the
9 primary voters in each congressional district. The National Convention
10 delegates and alternates selected at the congressional district level shall be
11 allocated in proportion to the percentage of the primary vote won in that
12 district by each preference, except that preferences falling below a 15%
13 threshold within a congressional district shall not be awarded any
14 delegates or alternates from said congressional district.
- 15 b. Within a district, if no presidential preference reaches a 15% threshold, the
16 threshold shall be one half of the percentage of the vote achieved by the
17 front-runner. (Rule 14.F)

18 7. Equal Division of Congressional District-Level Delegates

- 19 a. To ensure the congressional district level binary-gendered delegates are
20 equally divided between men and women (determined by gender self-
21 identification) delegate positions won by binary-gendered candidates
22 within each district will be determined after the number of gender non-
23 binary candidates also winning delegate positions, if any, is known. Each
24 congressional district has a designated binary-gender advantage (See table
25 in sub-section 3.c above) that determines the gender of the first binary
26 delegate elected. A gender non-binary candidate for delegate shall be
27 declared elected if they receive more votes than the number of votes
28 received by the lowest vote getting otherwise elected candidate of the
29 district’s then advantaged binary gender. The first binary-gendered
30 delegate elected by the presidential preference winning the most delegates
31 must be of the same gender as the advantaged gender in that district.
32 Thereafter the gender of binary-gendered delegates elected will be
33 alternated, skipping over gender non-binary delegates elected, until all
34 delegates allocated to that preference have been elected. Thereafter the
35 alternation shall continue through the other presidential preferences, from
36 the preference winning the most delegates to the preference winning the
37 least, until all delegate positions have been filled. (Rule 6.C, Rule. G.C.1
38 & Reg. 4.10)

- 39 8. The State Democratic Chair shall certify in writing to the Secretary of the
40 Democratic National Committee (DNC) the election of the state’s congressional district-

1 level delegates and alternates to the Democratic National Convention within ten (10) days
2 after their election. (Rule 8.C & Call IV.A)

- 25 3. Automatic delegates shall not be entitled to a replacement, nor shall the state be
26 entitled to a replacement, except under the following circumstances: (Call IV. D.2 & Reg.
27 4.37)

12 The following rules apply to each meeting during the delegate selection process, to the
13 extent relevant to the meeting. Meetings include legislative district caucuses, county
14 conventions, congressional district caucuses, and the State Convention.

15 1. Seating of Alternates. Alternates shall be listed and seated in the order in which
16 they were elected and shall serve only for their respective legislative districts and
17 according to their Presidential preference.

- 18 a. An alternate of the same gender identification and from the same county
- 19 b. An alternate of a different gender identification, from the same county
- 20 c. An alternate of the same gender identification, from a different county
- 21 d. An alternate of a different gender identification, from a different county

22 2. Within the parameters and within one of the categories listed above, an alternate
23 who received more votes shall be seated before an alternate who received fewer votes at
24 the same meeting. When filling a seat for which alternates elected at different meetings
25 are equally eligible, the position shall be filled by lot from among the equally eligible
26 alternates.

27 3. Delegates are allocated at every subsequent meeting based upon the outcome of
28 the results of the presidential primary. Each presidential preference (including
29 uncommitted), shall receive their share of the delegates allotted from the presidential
30 primary at each of the next stages of the process. Alternates to the next level of the
31 process shall be allocated in the same proportion as delegates. The allocation calculations
32 shall be made pursuant to Rule 14 of the 2020 Delegate Selection Rules for the
33 Democratic National Committee as follows:

34 Step 1: Tabulate the percentage of the vote that each presidential preference
35 receives to three decimals,

- 1 Step 2: Retabulate the percentage of the vote, to three decimals, received by
2 each presidential preference excluding the votes of presidential
3 preference whose percentage in Step 1 falls below 15%,
4 Step 3: If all candidates fall below 15%, the threshold shall be one-half of the
5 percentage of the highest vote-earning candidate.
6 Step 4: Multiply the number of delegates to be allocated by the re-tabulated
7 percentage received by each presidential preference.
8 Step 5: Delegates shall be allocated to each presidential preference based on the
9 whole numbers that result from the multiplication in Step 3.
10 Step 6: Remaining delegates, if any, shall be awarded to the highest fractional
11 remainders in Step 3. Ties shall be determined by lot.

12 4. Delegates for each presidential preference will caucus and vote separately for the
13 number of delegates and alternates allocated to their presidential preference. Any
14 delegate allocation slot for which no person is available for election shall go unfilled. All
15 candidates for delegate must be resident, registered voters or pre-registered 17 year olds
16 who will turn 18 on or before Tuesday, November 3, 2020 in the jurisdiction from which
17 they are elected and must be identified as to presidential preference. A candidate who is
18 not a delegate to the meeting or who is not present must signify in advance, in writing
19 individually, her or his presidential preference, that they will serve if elected and that they
20 are a Democrat and are willing to be known as such. Said letter shall be delivered to the
21 caucus convener at or prior to the caucus, shall be read at the meeting by the chair and
22 shall constitute a nomination at a legislative district caucus, county convention, or
23 congressional district caucus. Alternates, when chosen at a caucus level, shall be
24 nominated and elected in the same manner.

25 5. Voting for delegates and alternates shall be by signed ballot at all delegate
26 selection meetings. A ballot to be counted must have all positions filled with duly
27 nominated candidates with no duplications and be voted for a number of males and
28 females differing by no more than one and, to the extent unequal reflecting the current
29 binary gender advantage, if any, of the jurisdiction or presidential preference. The vote
30 shall not be weighted. Except at the Legislative district caucus, an unsigned ballot is
31 invalid and shall not be counted in the tally to determine whether a plurality has been
32 obtained. Each meeting chair shall give clear notice to delegates that they must vote for
33 the allotted number of candidates and the chair must also give adequate time to do so and
34 ask voting delegates to check ballots before turning them in. A simple plurality is
35 required for the election of a delegate or alternate. Uncontested elections may be by
36 acclamation. The chair shall provide the ballots. A quorum as defined in Section VI.H
37 must be present in order to select delegates to the next tier of the caucus system.

38 6. The binary-gendered members of the delegation elected by each legislative
39 district and county shall be equally divided between men and women to the extent
40 practicable in both the delegate and alternate categories unless there are an insufficient
41 number of nominees from one gender to fill the available positions.

42 7. A person need not be a delegate at one caucus level to run for a delegate seat to
43 the next caucus level.

1 **G. Legislative district Caucuses**

2 1. The principal business of the legislative district caucuses shall be the election of
3 delegates and alternates to the 2020 Democratic State Convention and congressional
4 district caucuses. Legislative district caucuses may also adopt platforms and resolutions.

5 2. Delegates and alternates to the State Convention and congressional district
6 caucuses shall be apportioned among the legislative districts based on a formula giving
7 equal weight to the number of registered voters in November 2019, and to the
8 average of Democratic presidential and gubernatorial votes cast in the 2016 general
9 election, as indicated in *(This document will not be available to prepare, as the data is*
10 *not available, until November of 2019)*, according to the following criteria:

14 excluding registered voters not attributed to a specific geographic precinct.

15 b. The average of the votes cast for Hillary Clinton for President and Jay
16 Inslee for Governor shall be as certified by each county auditor and the
17 Washington Secretary of State excluding votes cast but not attributed to a
18 specific geographic precinct.

19 c. For purposes of delegate and alternate allocation, precincts in the same
20 county and congressional district and legislative district shall be grouped
21 together and allocations determined individually for each such grouping,

1 **Section IV**
2 **National Convention Standing Committee Members**

3 **A. Introduction**

4 1. Washington State has been allocated four (4) members on each of the three
5 standing committees for the 2020 Democratic National Convention (Credentials,
6 Platform and Rules), for a total of twelve (12) members. (Call VII.A & Call Appendix D)

7 2. Members of the Convention Standing Committees need not be delegates or
8 alternates to the 2020 Democratic National Convention. (Call VII.A.3)

9 3. These members will be selected in accordance with the procedures indicated
10 below. (Rule 1.G)

11 **B. Standing Committee Members**

12 1. Selection Meeting

13 a. The members of the standing committees shall be elected by a quorum of
14 Washington State's National Convention delegates, at a meeting to be held
15 on Saturday, June 13th. (Call VII.B.1)

16 b. All members of the delegation shall receive adequate notice of the time,
17 date, and place of the meeting to select the standing committee members.
18 (Call VII.B.1)

19 2. Allocation of Members

20 a. The members of the standing committees allocated to Washington State
21 shall proportionately represent the presidential preference of all candidates
22 (including uncommitted status) receiving the threshold percentage used in
23 the state's delegation to calculate the at-large apportionment pursuant to
24 Rule 13.E. of the Delegate Selection Rules. (Call VII.C.1 & Reg. 5.9)

25 b. The presidential preference of each candidate receiving the threshold
26 percentage or more within the delegation shall be multiplied by the total
27 number of standing committee positions allocated to Washington State. If
28 the result of such multiplication does not equal 0.455 or above, the
29 presidential preference in question is not entitled to representation on the
30 standing committee. If the result of such multiplication is equal to or more
31 than 0.455 but less than 1.455, the presidential preference is entitled to one
32 (1) position. Those preferences securing equal to or more than 1.455 but
33 less than 2.455 are entitled to two (2) positions, etc. (Call VII.C.2)

34 c. Where the application of this formula results in the total allocation
35 exceeding the total number of committee positions, the presidential

1 candidate whose original figure of representation is farthest from its
2 eventual rounded-off total shall be denied that one (1) additional position.
3 Where the application of this formula results in the total allocation falling
4 short of the total number of committee positions, the presidential
5 candidate whose original figure of representation is closest to the next
6 rounding level shall be allotted an additional committee position. (Call
7 VII.C.3)

8 d. Standing committee positions allocated to a presidential candidate shall be
9 proportionately allocated, to the extent practicable, to each of the three
10 standing committees. When such allocation results in an unequal
11 distribution of standing committee positions by candidate preference, a
12 drawing shall be conducted to distribute the additional positions. (Call
13 VII.C.4)

14 3. Presidential Candidate Right of Review

15 a. Each presidential candidate, or that candidate's authorized
16 representative(s), shall be given adequate notice of the date, time and
17 location of the meeting of the state's delegation authorized to elect
18 standing committee members. (Call VII.D.1)

19 b. Each presidential candidate, or that candidate's authorized
20 representative(s), may submit to the State Democratic Chair, by Sunday,
21 June 13, 2020, immediately after the election of the at-large delegates and
22 alternates, a minimum of one (1) name for each slot awarded to that
23 candidate for members of each committee. The delegation shall select the
24 standing committee members from among the names submitted by the
25 presidential candidates (including uncommitted status). Presidential
26 candidates shall not be required to submit the name of more than one (1)
27 person for each slot awarded to such candidate for members of standing
28 committees. (Call VII.D.2)

29 4. Selection Procedure to Achieve Equal Division

30 a. Presidential candidates (including uncommitted status) shall use their best
31 efforts to ensure that their respective delegation of standing committee
32 members shall achieve Washington's affirmative action, outreach, and
33 inclusion goals and that their respective male and female members are
34 equally divided to the extent practicable between the men and women
35 determined by gender self-identification. (Rule 6.I & Reg. 4.10)

36 b. The first binary gender position on each standing committee shall be
37 assigned to one of the binary genders. For example, the first binary
38 position on the Credentials Committee of the presidential candidate with
39 the most standing committee positions shall be designated for a male, and
40 the next binary position, if one occurs, will be designated for a female, and

1 the remaining binary positions, to the extent they occur, shall be
2 designated in like fashion, alternating between males and females, where
3 applicable. For avoidance of doubt: there is no requirement that positions
4 be assigned to gender non-binaries but the described alternation of binary
5 genders may not be used to exclude a gender non-binary person from
6 consideration for a committee position. Positions for presidential
7 candidates on each committee shall be ranked according to the total
8 number of standing positions allocated to each such candidate. After
9 positions on the Credentials Committee are designated by gender, the
10 designation shall continue with the Platform Committee, then the Rules
11 Committee.

12 (1) A separate election shall be conducted for membership on each
13 standing committee.

14 (2) The male and female membership of the standing committees shall
15 be as equally divided to the extent practicable among the men and
16 women, irrespective of members who identify as gender non-
17 binary, as possible under the state allocation; the variance between
18 men and women in any committee or among the three committees
19 in aggregate shall not exceed one. (Call VII.E.2)

20 (3) Gender non-binary committee members shall not be counted as
21 either a male or female, and the remainder of the delegation shall
22 be equally divided between male gender (men) and female gender
23 (women). (Call VII.E.1)

24 5. Certification and Substitution

25 a. The State Democratic Chair shall certify the standing committee members
26 in writing to the Secretary of the Democratic National Committee within
27 three (3) days after their selection. (Call VII.B.3)

28 b. No substitutions will be permitted in the case of standing committee
29 members, except in the case of resignation or death. Substitutions must be
30 made in accordance with the rules and the election procedures specified in
31 this section and must be certified in writing to the Secretary of the
32 Democratic National Committee within three (3) days after the substitute
33 member is selected but not later than 48 hours before the respective
34 committee meets. (Call VII.B.4)

35 6. Temporary Standing Committee Members: Temporary members for the
36 Convention Standing Committees will be selected by the Washington State Democratic
37 Central Committee at a meeting on January 27th, 2020. The meeting shall be open to the
38 public and well publicized in accordance with this Plan. Any Democrat may apply for a
39 position as a temporary member of the standing committees by January 18, 2020. They
40 will be selected by the Washington State Democratic Central Committee at a meeting on

1 January 27th, 2020. Members of the State Central Committee shall receive timely notice
2 of the meeting, in accordance with State Party rules. (Call VII.G.2)

3 a. Any Democrat may apply for a position as a temporary member of the
4 standing committees. Persons wishing to be considered must submit an
5 application to the state party chair with a brief statement of relevant
6 background, including the committees for which they wish to be
7 considered, no later than January 18, 2020.

8 b. If required, a separate election shall be conducted for membership on each
9 of the standing committees. The male and female membership of each
10 standing committee shall be equally divided among men and women
11 (determined by self-identification) under the state allocation; i.e. the
12 variance between men and women on any committee or, among the all
13 committees in aggregate shall not exceed one. (Call VII.E.2) In the case of
14 gender non-binary committee members, they shall not be counted as either
15 a male or female, and the remainder of the standing committee members
16 shall be equally divided between male gender (men) and female gender
17 (women). (Call VII.E.1)

18 c. Temporary members serve only in the event that the respective standing
19 committee is called to meet prior to completion of the state's delegate
20 selection process and subsequent selection of permanent standing
21 committee members. No temporary member may continue to serve after
22 the selection of the permanent standing committee members unless they
23 are elected as a permanent member. (Call VII.G.3)

24 d. Temporary members selected after the first determining step has occurred
25 in a state shall reflect the Presidential preferences so established. (Call
26 VII.G.3)

27 e. The State Chair shall certify the temporary standing committee members
28 in writing to the Secretary of the Democratic National Committee within
29 three (3) days after their selection. Substitutions in a state's list of
30 temporary members may only be made up to ten (10) days prior to the
31 time the standing committee meets. Substitute temporary standing
32 committee members will be selected at a meeting of the State Central

26 under the label and designation of the Democratic Party of the United
27 States. The exact date will depend on state law or policies, if any,
28 promulgated by the Washington Secretary of State.
- 29 b. If an Elector (or alternate Elector) is removed, the Chair of the State
30 Democratic Party shall inform the Washington State Secretary of State
31 that the individual no longer represents the will of the voters for the
32 Presidential nominee of the Democratic Party of the United States and that
33 the alternate elector will serve as the Elector.
- 34 c. If a Congressional District Elector (or alternate Elector) is removed, the
35 Executive Committee shall select an alternate elector from among the
36 members of SCC residing in that Congressional District. If an at-large
37 Elector is removed, then the State Chair or the next highest-ranking State

1 Party officer of the same gender as the removed Elector shall
2 automatically become the new Elector.

3 d. The Executive Committee of the State Democratic Party may remove an
4 Elector (or alternate Elector) through a majority vote after the certification
5 of the election of Electors by the Washington Secretary of State if grounds
6 exist, including, but not limited to the failure of the certified elector's
7 refusal to sign an oath stating that they will be voting for the Democratic
8 President and Vice-Presidential Nominees, or belief that the Elector (or
9 alternate Elector) will violate their pledge to elect Presidential and Vice
10 Presidential nominees, under the label and designation of the Democratic
11 Party of the United States. The exact date will depend on state law or
12 policies, if any, promulgated by the Washington Secretary of State.

13 **C. Affirmation**

14 1. Each candidate for Presidential Elector shall certify in writing that they will vote
15 for the election of the Democratic Presidential and Vice Presidential nominees and that
16 they understand that a failure to do so is a failure to execute their duty as an elector.(Call
17 VIII)

18 2. Each candidate will be required to sign an oath affirming their commitment to the
19 ideals of the Democratic Party and that they will work to support the Party's interests
20 both as an elector and in their personal capacity, as well as subscribe to the substance,
21 intent and principles of the Charter and Bylaws of the Democratic Party of the United
22 States. Individuals are also willing to be publicly identified as Democrats.

23 **D. Communication to the Washington Secretary of State**

24 1. The State Party Chair shall transmit the slate of electors to the Washington State

21 accommodate all interested persons expected to attend. (Rule 4.B.3)

22 4. The Democratic Party in Washington State, on all levels, should support the
23 broadest possible registration without discrimination based on “status.” (Rule 4.B.4)

24 5. The Democratic Party in Washington State should publicize fully and in such a
25 manner as to assure notice to all interested parties a full description of the legal and

30 all levels of the Democratic Party organization. (Rule 4.B.5)

31 6. The Democratic Party in Washington State should publicize fully and in such a
32 manner as to assure notice to all interested parties, a complete description of the legal and

35 prospective candidates or applicants for any elected or appointed position within each
36 State Democratic Party will have full and adequate opportunity to compete for office.
37 (Rule 4.B.6)

- 1 B. Discrimination on the basis of ‘status’ in the conduct of Democratic Party affairs
2 is prohibited. (Rule 5.B)
- 3 C. The individuals in Washington State’s delegation shall be equally divided to the
4 extent practicable between delegate men and delegate women, not including those
5 delegates who identify as gender non- binary, and alternate men and alternate
6 women, not including those alternates who identify as gender non-binary. Such
7 goal applies to the entire delegation, which includes all pledged delegates and
8 alternates and all automatic delegates. Delegates and alternates shall be considered
9 separate groups for purposes of achieving equal division. (Rule 6.C)
- 10 D. All delegate and alternate candidates must be identified as to presidential
11 preference or uncommitted status at all levels which determine presidential
12 preference. (Rule 12.A)
- 13 E. No delegate at any level of the delegate selection process shall be mandated by
14 law or Party rules to vote contrary to that person’s presidential choice as expressed
15 at the time the delegate is elected. (Rule 12.I)
- 16 F. Delegates elected to the national convention pledged to a presidential candidate

20 delegate allocation and selection process must be bona fide Democrats who have

- 25 H. Forty percent (40%) the members of any Party body above the first level of the
26 delegate selection process shall constitute a quorum for any business pertaining to
27 the selection of National Convention delegates, alternates, standing committee
28 members, and other official Convention participants, as well as Presidential
29 Electors. (Rule 15)
- 30 I. The unit rule, or any rule or practice whereby all members of a Party unit or

33 process. (Rule 17.A)
- 34 J. Any individual or group of Democrats may sponsor or endorse a slate of
35 candidates for convention delegates. But no slate may, by virtue of such
36 endorsement, receive a preferential place on a delegate selection ballot or be

1 publicly identified on the ballot as the official Democratic Party organization slate,
2 and all slates must meet identical qualifying requirements for appearing on a ballot
3 at all levels of the delegate selection process. (Rule 17.B)

4 K. All steps in the delegate selection process, including the filing of presidential
5 candidates, must take place within the calendar year of the Democratic National
6 Convention, except with respect to the implementation of the Affirmative Action
7 Plan. (Rule 1.F. & Rule 11.B)

8 L. Any legislative district or county not abiding by these rules may be denied the
9 right to have its elected delegates, in whole or in part, seated at the 2020
10 Democratic State Convention, subject to appeal to the Credentials Committee for
11 that body.

12 M. In electing and certifying delegates and alternates to the 2020 Democratic National
13 Convention, Washington State thereby undertakes to assure all Democratic voters
14 in the state full, timely and equal opportunity to participate in the delegate
15 selection process and in all Party affairs and to implement affirmative action
16 programs toward that end; that the delegates and alternates to the Convention shall
17 be elected in accordance with the Delegate Selection Rules for the 2020
18 Democratic National Convention; and that the delegates certified will not publicly
19 support or campaign for any candidate for President or Vice President other than
20 the nominees of the Democratic National Convention. Furthermore, the voters in
21 the state will have the opportunity to cast their election ballots for the Presidential
22 and Vice Presidential nominees selected by said Convention, and for electors
23 pledged formally and in good conscience to the election of these Presidential and
24 Vice Presidential nominees, under the label and designation of the Democratic
25 Party of the United States. (Call II.B)

26 N. Proxy voting shall not be allowed in legislative district and congressional district
27 levels of the delegate selection process. WSDCC members, representing
28 legislative districts, may assign a proxy if they are unable to attend the meetings

33 committee if supported by the signatures of ten percent (10%) of the members of
34 that committee.

35 P. Any duly elected delegate or alternate who ceases to be a registered voter and in
36 the jurisdiction from which they were elected, shall automatically forfeit their seat
37 and an alternate shall be seated in their place.

1 **Q.** If the chair of any meeting fails to submit the name of any delegate or alternate to
2 the proper authority, the delegate or alternate may be seated upon presentation of
3 their certificate of election and proper identification.

1 **Section VIII**
2 **Affirmative Action, Outreach and Inclusion Plan**

3 **A. A Statement of Purpose and Organization**

4 1. Purpose and Objectives

- 5 a. In order that the Democratic Party at all levels be an open Party which
6 includes rather than excludes people from participation, a program of
7 effective affirmative action is hereby adopted by Washington State. (Rule
8 6.A);
- 9 b. Discrimination on the basis of “status” in the conduct of Democratic Party
10 affairs is prohibited. (Rule 6.B);
- 11 c. All public meetings at all levels of the Democratic Party in Washington
12 State should be open to all members of the Democratic Party regardless of
13 race, sex, age, color, creed, national origin, religion, ethnic identity, sexual
14 orientation, gender identity, economic status or physical disability
15 (hereinafter collectively referred to as “status”); (Rule 4.B.1)
- 16 d. The Washington State Democratic Party is committed to help achieve full
17 participation of groups who have historically been explicitly denied the
18 right to vote or who have been subjected to discriminatory and
19 exclusionary practices that have denied them voting rights and full
20 participation in the delegate selection process and other Party meetings,
21 events and elections, along with other groups who are also
22 underrepresented in Party affairs and matters.
- 23 e. Consistent with the Democratic Party’s commitment to including groups
24 historically under-represented in the Democratic Party’s affairs by virtue
25 of race/ethnicity, age, sexual orientation, or disability, Washington State
26 has developed Party outreach programs. Such programs include
27 recruitment, education and training, in order to achieve full participation
28 by such groups and diversity in the delegate selection process and at all
29 levels of Party affairs for 2020. (Rule 5.C & Reg. 48) This effort will be
30 made in full with our Affirmative Action Committee, who will take a
31 leading role in outreach to their respective communities, and in
32 consultation with our Statewide Constituency Caucuses.
- 33 f. In order to encourage full participation by all Democrats in the delegate
34 selection process and in all Party affairs, the Washington State Democratic
35 Party has adopted and will implement programs with specific goals and
36 timetables for African Americans, Hispanics, Native Americans, Asian
37 Americans and Pacific Islanders and women. To further encourage full
38 participation in the process, the Washington State Democratic Party has
39 established goals and timetables for other underrepresented groups,

1 including LGBTQ Americans, people with disabilities, and youth.
2 Additionally, every effort will be made to include senior citizens, new
3 citizens eligible to vote, and a diversity of cultural, religious, and social
4 backgrounds in the delegation. (Rule 6.A. & Rule 7) Additionally, as part
5 of the Washington State Democratic Party’s commitment to inclusivity of
6 individuals with disabilities within the Party, in concert with our Statewide
7 Disabilities Caucus, the Party will be hosting in-person and web-based
8 accessibility trainings for LD and CD Caucuses, as well as providing all
9 materials in accessible formats.

10 (1) The goal of the programs shall be to encourage participation in the
11 delegate selection process and in Party organizations at all levels
12 by the aforementioned groups as indicated by their presence in the
13 Democratic electorate. (Rule 6.A.1)

14 (2) For the purpose of certifying convention participants, “Youth” is
15 defined as any participant younger than 36 years of age at the time
16 of the November 3rd, 2020 Election. (Reg. 5.3.A)

17 (3) For the purpose of certifying convention participants, individuals
18 identifying as Native Americans should provide their tribal
19 affiliation and indicate if they are enrolled in a tribe. (Reg. 5.3.B)

20 (4) This goal shall not be accomplished either directly or indirectly by
21 the Party’s imposition of mandatory quotas at any level of the
22 delegate selection process or in any other Party affairs. (Rule
23 6.A.2)

24 2. Organizational Structure

25 a. An Affirmative Action Committee shall be appointed by the State
26 Democratic Chair on Friday, March 1, 2019. (Rule 6.F)

27 b. The State Democratic Chair shall certify in writing to the Rules and
28 Bylaws Committee of the Democratic National Committee the compliance
29 of the State’s Affirmative Action Committee with Rules 5.C, 6.A and 7,
30 and submit the names, demographic data and contact information no later
31 than 15 days after their appointment. (Reg. 2.2.J)

32 c. The Committee shall consist of members from each delegate district
33 representing the Democratic constituency groups set forth in the
34 Introduction to the Affirmative Action Plan. Each member’s name and
35 relevant demographic (“status”) information is attached as “Appendix C”

36 d. The Affirmative Action Committee shall be responsible for:

10 6.G)
- 11 (5) Advising the State Democratic Chair on matters ensuring that
12 district lines used in the delegate selection process are not
13 gerrymandered to discriminate against African Americans,
14 Hispanics, Enrolled Native Americans, Asian Americans and
15 Pacific Islanders and women. (Rule 6.E)
- 16 (6) Providing technical assistance to the State Party and local party
17 organizations regarding the implementation of this plan.
- 18 (7) Ensuring that access for all and ADA requirements are met.
- 19 e. Financial and staff support for the implementation of the Affirmative
20 Action section of this Plan shall be provided by the State Democratic
21 Chair to the greatest extent feasible, including, but not limited to, making
22 available on a priority basis, the State Party staff and volunteers and
23 covering all reasonable costs incurred in carrying out this Plan.
- 24 3. Implementation of the Affirmative Action Plan shall begin on Friday, September
25 13, 2019, with the distribution of the press kits, and will continue through the end of the
26 delegate selection process. (Rule 1.F)

27 **B. Efforts to Educate on The Delegate Selection Process**

28 1. Well publicized educational workshops, in person and digitally, will be conducted
29 in each of the delegate districts beginning in September 2019. These workshops will be
30 designed to encourage participation in the delegate selection process, including apprising
31 potential delegate candidates of the availability of financial assistance. These workshops
32 will be held in places that are easily accessible to persons with physical disabilities. The
33 times, dates, places and rules for the conduct of all education workshops, meetings and
34 other events involved in the delegate selection process shall be effectively publicized by
35 the party organization and include mailings to various organizations representative of the
36 Democratic voting populace. (Rule 3.A, Rule 3.C & 3.D)

1 2. A speakers bureau of volunteers from the Affirmative Action Committee and
2 other interested volunteers from the State Central Committee, and County and Legislative
3 District organizations, comprised of individuals who are fully familiar with the process,
4 will be organized to appear before groups, as needed, to provide information concerning
5 the process.

6 3. The State Party's education efforts will include outreach to community leaders
7 within the Democratic Party's constituencies and making sure that information about the
8 delegate selection process is available to Democratic clubs and Party caucuses
9 representing specific constituencies.

10 4. The State Party will publish and make available at no cost: a clear and concise
11 explanation of how Democratic voters can participate in the delegate selection process;
12 an explanation of how, where and when persons can register to vote; and delegate district
13 maps. As well, the State Party shall also make available copies of the State Party Rules,
14 the Delegate Selection Plan (and its attachments), the Affirmative Action Plan, and
15 relevant state statutes at no cost. Copies of documents related to the state's delegate
16 selection process will be prepared and the State Democratic Chair will distribute them in
17 the various delegate districts not later than Thursday, October 1, 2019. (Rule 1.H)

18 5. The State Party shall take all feasible steps to encourage persons to register and to
19 vote as Democrats and will seek to ensure simple and easy registration procedures. (Rule
20 2.C) This process will be open to all who wish to participate as Democrats.

21 **C. Efforts to Publicize the Delegate Selection Process**

22 1. Special attention shall be directed at publicizing the delegate selection process in
23 the state. Such publicity shall include information on eligibility to vote and how to
24 become a candidate for delegate, the time and location of each stage of the delegate
25 selection process and where to get additional information. The foregoing information will
26 also be published in the State Party's communications and on the State Party's website.
27 The Party organization, official, candidate, or member calling a meeting or scheduling an
28 event, shall effectively publicize the role that such meeting or event plays in the selection
29 of delegates and alternates to the Democratic National Convention. (Rules 3.C and 3.D)

30 2. Newspapers, radio, television, and the internet will be utilized to inform the
31 general public how, when and where to participate in the delegate selection process.
32 Specifically, this information should provide details as to how to qualify to run as a
33 delegate candidate. Special effort shall be directed to the major daily newspapers, radio
34 and television stations by the State Democratic Chair. Regular releases during the
35 delegate selection process to all other media sources, weekly newspapers, and wire
36 services should complete timely coverage.

37 3. A priority effort shall be directed at publicity among the Democratic Party's
38 constituencies.

- 1 a. Information about the delegate selection process will be provided to
2 minority newspapers and radio stations, ethnic press, Native American,
3 Asian Americans and Pacific Islanders, African Americans, Hispanic
4 Americans, and Spanish-speaking and other non-English press, radio
5 stations and publications, and women’s organizations, disability press,
6 student newspapers, LGBTQ press, and any other specialty media in the
7 state that is likely to reach the Democratic constituency groups set forth in
8 the Introduction of this Affirmative Action Plan.
- 9 b. The State Party shall be responsible for the implementation of this
10 publicity effort. For purposes of providing adequate notice of the delegate
11 selection process, the times, dates, places and rules for the conduct of
12 Legislative District caucuses, county conventions, congressional district
13 caucuses and the State Convention shall be effectively publicized,
14 multilingual where necessary, to encourage the participation of minority
15 groups. (Rule 6D)

16 4. Not later than Monday, September 16, 2019, the State Party will make
17 information about the delegate selection process available on its website and publicize the
18 resource through press releases and communications to Party leaders, activists, and
19 targeted constituencies. Information to be posted on the website will include:

- 20 a. a summary of all pertinent rules related to the state’s delegate selection
21 process;
- 22 b. a map of delegate districts and how many delegates will be elected within
23 each district;
- 24 c. a summary explaining the operation and importance of the 2020
25 Convention; and
- 26 d. materials designed to encourage participation by prospective delegate
27 candidates.

28 **D. Representation and Inclusion Goals**

29 1. The State Party has determined the demographic composition of African
30 Americans, Hispanics, Enrolled Native Americans, and Asian Americans and Pacific
31 Islanders in the state’s Democratic electorate. These constituency percentages shall be
32 established as goals for representation in the state’s convention delegation. (Rule 6.A)

33 2. The Democratic National Committee recognizes that other groups of Americans
34 in addition to the groups described in section D.1, above, may be underrepresented in
35 Party affairs. These groups include members of the LGBTQ community, people with
36 disabilities, and youth. Accordingly, the State Party has chosen to establish “inclusion”
37 goals for LGBTQ persons, people with disabilities, and youth, with a sub-goal between
38 the ages of 17 and 24, for representation in the state’s convention delegation.

1 3. Methodology Used to Determine Representation and Inclusion Numerical Goals
2 for Washington State’s 2020 Democratic National Convention Delegation

3 a. Introduction

- 4 (1) Washington State has submitted numerical goals for all groups
5 identified by the DNC for its 2020 Democratic National
6 Convention Delegation. It has divided these goals into 2 parts—
7 “Representation Goals”, which include racial minority groups that
8 are a part of traditional affirmative action analyses (i.e., African
9 Americans, Asian Pacific Americans; Hispanic Americans, and
10 Native Americans); and “Inclusion Goals” for LGBTQ Americans,
11 People with Disabilities, and Youth, with a sub-goal between the
12 ages of 17 and 24.
- 13 (2) Washington State has decided that for all of these constituencies,
14 goals for any group should represent a minimum of 3 members in
15 the delegation, similar to the notion that all states have a minimum
16 level of 3 members in Congress, and all Legislative Districts
17 within the State of Washington have 3 members in the State
18 Legislature. Washington State has determined that all of these
19 constituencies are of importance to the success of Democratic
20 Party candidates for office, and that no group should be left out of
21 the numerical goals for its delegation so as to foster unity and
22 inclusion, as opposed to racial and constituent divisiveness.
- 23 (3) Washington State also notes that the goals are not singular and
24 discrete, which means that individuals who share a common
25 identification among various goals are included in the count for
26 each goal. For example, a 21-year old African American woman in
27 the delegation will be counted toward the even split of males and
28 females in the delegation and would also be counted toward the
29 African American and Youth goals.

30
31 The baseline number for the delegation is 114, which includes 107
32 delegates and 7 alternates. The delegation also has 12 standing
33 committee members, and 3 convention pages. (Call Appendix B,
34 Call Appendix C & Call Appendix D)

35 b. Methodology for Representation Goals

- 36 (1) Washington State used 2017** data tables from the American
37 FactFinder website of the U.S. Census Bureau as a baseline for
38 establishing representation goals for racial minority groups
39 (African Americans, Asians Pacific Americans, Hispanic/Latino
40 Americans, and Enrolled Native Americans) in its delegation. For
41 each group under the Representation Goals, the data represents

1 Race alone or in combination of other races. In recognition of the
2 historic importance these groups have played in the success of the
3 Democratic Party's candidates, Washington has used plus factors
4 to add to the total percentage representation for each group,
5 including the proportion of the electorate of each group who has
6 traditionally voted democratic. The factors applied to each group
7 are as follows:

8 (2) African Americans

9 (a) Percent in Democratic Electorate and Number of
10 Delegates: 9.1% / 9 in the Delegation.

11 (b) Percent in Census: 4.2%

12 (c) Plus Factors: Strong presence of Democratic Party elected
13 officials in state and local government. Very Strong
14 Democratic Voters in areas where African Americans are
15 concentrated. 2016 Exit Polling Information indicates
16 African American preferences for Governor and U.S.
17 President at 87% and 90% for Democratic Nominees. Exit
18 Polling Data in Washington State not available for 2018
19 U.S. Senate, or for subsequent elections. However, national
20 exit polling data shows 93% African American preference
21 for Obama over Romney in 2012**.

22 (3) Asian Pacific Americans

23 (a) Percent in Democratic Electorate and Number of
24 Delegates: 14% / 15 in the delegation.

25 (b) Percent in Census: 9.7% (Asian & Asian Pacific Islander)

26 (c) Plus Factors: Strong presence of Democratic Party elected
27 officials in state and local government. Strong Democratic
28 Voters in areas where Asian Pacific Americans are
29 concentrated. 2014 Exit Polling Information indicates
30 Asian Pacific American preferences for Governor and U.S.
31 Senator at 78% and 76% for Democratic Nominees. Polling
32 Data not indicated for 2018 U.S. Senate. National exit
33 polling data shows 73% Asian and Pacific Islander
34 American preference for Obama over Romney in
35 2012****.

36 (4) Hispanic/Latino Americans

37 (a) Percent in Democratic Electorate and Number of
38 Delegates: 15% / 16 in the delegation.

- 1 (b) Percent in Census: 12.7%
- 2 (c) Factors: Strong presence of Democratic Party elected
 3 officials in state and local government, with a substantial
 4 increase since 2016. 2014 and 2016 Exit Polling
 5 Information indicates Hispanic American preferences for
 6 Governor and U.S. Senator at 64% and 69% for
 7 Democratic Nominees. Exit Polling Data in Washington
 8 State is not available for subsequent elections. However
 9 national exit polling data shows 71% Hispanic American
 10 preference for Obama over Romney in 2012**. Hispanic
 11 Americans is the group showing the largest population gain
 12 between the 2000 and 2010 Census (Note: 8.8% estimate
 13 for 2008 cycle). US Census projection of growth in
 14 population has risen again. Key target populations for voter
 15 registration and voter identification in 2020.
- 16 (5) Overall Combined Effect of Representation Goals for All Racial
 17 Groups
- 18 (a) Percent in Democratic Electorate and Number of
 19 Delegates: 38.1% / 40 in the delegation.
- 20 (b) Percent in Census: 28.83%
- 21 (c) Plus Factors: Strong and emerging presence of Democratic
 22 Party elected officials in state and local government. Strong
 23 Democratic Voters in many areas where Communities of
 24 Color are concentrated. 2004 Exit Polling Information
 25 indicates preferences for White Americans for Governor
 26 and U.S. Senator at 48% and 54% for Democratic
 27 Nominees. Exit Polling Data for 2014 U.S. Senator at 67%.
 28 Exit Polling Data in Washington State is not available for
 29 subsequent elections. However national exit polling data
 30 shows People of Color consistently and significantly
 31 preferred Obama over Romney in 2012***, while only
 32 41% White voters preferred Obama over Romney. (NOTE:
 33 In Washington State, however, 55% of White voters
 34 preferred Obama over Romney). Indicators demonstrate
 35 that People of Color vote for Democratic Party candidates
 36 at a significantly higher percentage when compared to
 37 White voters.
- 38 (d) Additional Considerations: In many of the categories, we
 39 have slightly increased goals above the expected rate that
 40 the DNC provided, in order to account for the national
 41 trajectory towards excluding these individuals from the

1 national dialogue. Washington State is committed to
2 elevating these voices in this critical time where the
3 national political climate has attempted to silence them.

4 c. Methodology for Inclusion Goals

5 (1) Washington State has decided that key constituencies identified in
6 the DNC rules for delegate selection merit more than inclusion
7 efforts not tied to some numerical goals for its delegation. Those
8 constituencies are LGBTQ Americans, People with Disabilities
9 and Youth. For all of these groups, for varying reasons, census data
10 and traditional affirmative action analyses do not correspond with
11 the issues of race and gender discrimination that has been a part of
12 the tragic history of our country, thereby requiring a remedy to
13 correct the present effects of past discrimination. And yet, like the
14 fundamental issues of race and gender discrimination, there is a
15 basic recognition that must be made to include these groups as a
16 part of moving our Party and our country forward so that all may
17 enjoy participation in the political process. Below is a rationale for
18 the goals set for each group.

19 (2) LGBTQ Americans

20 (a) Percent in Democratic Electorate and Number of
21 Delegates: 8.7%% / 9 in the delegation.

22 (b) Estimated Percent of Population: 4.6%

23 (c) Factors: Strong presence of Democratic Party elected
24 officials in state and local government. Eleven members of
25 this constituency are in the Legislature. The City of Seattle
26 elected its second mayor from the LGBTQ community in
27 2017. In that same city, extremely strong preference shown
28 for Democratic Candidates. Exit Polling Data almost non-
29 existent, with the exception of 2004 Presidential Election in
30 which voters identified as “Gay, Lesbian or Bisexual”
31 indicated a 77% preference for Democratic nominee, as
32 compared to 46% of voters who did not so identify. Issue of
33 discrimination due to sexual orientation a key contributing
34 factor for the lack of information, both by the victims and
35 by government policies and practices (sexual orientation
36 not included in census surveys). There is an active Caucus
37 constituency within State Party, and the State Party Chair
38 and Vice Chair are both from the LGBTQ community.

- 1 (3) People with Disabilities
- 2 (a) Percent in Democratic Electorate and Number of
3 Delegates: 11% / 12 in the delegation.
- 4 (b) Percent in [Census](#): WA disability estimate is 9%. Because
5 of uncertainty with the definition, inclusion goal set at 11%
- 6 (c) Factors: Active Caucus constituency within State Party.
7 Included with baseline representation of delegates as
8 discussed in introduction. Additionally, as defined in the
9 Pew Research, *A Profile on Disabled Americans*, disability
10 support is slightly Republican leaning in the general
11 population, decreasing our overall goal. In order to
12 emphasize commitment to the community, this goal has
13 been raised above the census number to emphasize
14 strengthening relationships with the Disabled community.
- 15 (4) Youth (Ages 17 to 36)
- 16 (a) Percent in Democratic Electorate and Number of
17 Delegates: 28.1% / 30 in the delegation with a sub-goal of 7
18 in the delegation for youth between 17 and 24. (Assigned
19 based on factors below)
- 20 (b) Percent in Census: Estimate 29.36% total population.
- 21 (c) Factors: Varying data breakpoints on most census and
22 polling data. Entire young Democrats group has been
23 represented on convention delegations, but at the older end
24 of the spectrum up to age 36. The inclusion goal is to get
25 the youngest voters involved in a meaningful way. Note the
26 age 17 represents those under 18 who will be eligible to
27 vote by the November election. National exit polling data
28 shows youngest voters and first-time voters significantly
29 preferred Obama over McCain in 2008 and Obama over
30 Romney in 2012**. Young voters in Washington surveyed
31 preferred Clinton 68% over Trump at 23% in 2016.
32 However, given the low rate at which youth turn out in
33 Washington the weighted population of youth has been
34 brought down. Again following Washington State's
35 commitment to empowering disadvantaged groups we have
36 pushed this number up in order to actively promote
37 diversity within our delegation.
- 38 d. Conclusion

1 (1) This concludes the rationale for how and why Washington State set
 2 these representation and inclusion goals as a part of its Delegate
 3 Selection and Affirmative Action Plan.

	African Americans	Hispanics	Enrolled Native Americans	Asian Americans and Pacific Islanders	LGBTQ Americans	People with Disabilities	Youth
% in Democratic Electorate	9.1%	15%	4.7%	14%	9.3%	11%	28.1% (voting age)
Numeric Goals for Delegation	9	16	5	15	9	12	30 (*Sub-Goal of 7 for Youth Aged 17-24)

4
 5 4. When selecting the at-large portion of the delegation, the demographic
 6 composition of the other delegates (congressional district-level, pledged PLEO, and
 7 Automatic) shall be compared with the State Party’s goals in order to achieve an at-large
 8 selection process that helps to bring about a representative balance.

9 5. Use of the at-large delegation to achieve the affirmative action goals established
 10 by this Plan does not obviate the need for the State Party to conduct outreach activities
 11 such as recruitment, education and training. (Rule 6.A.3)

12 **E. Obligations of Presidential Candidates to Maximize Participation**

13 1. Presidential candidates shall assist the Washington State Democratic Party in
 14 meeting the demographic representation goals reflected in the Affirmative Action Plan.
 15 (Rule 6.H.1)

16 2. Each presidential candidate must submit a written statement to the State
 17 Democratic Chair by September 16, 2019, which indicates the specific steps they will
 18 take to encourage full participation in Washington State’s delegate selection process,
 19 including, but not limited to, procedures by which persons may file as candidates for
 20 delegate or alternate. (Rule 6.H.1)

21 3. Each presidential candidate must submit demographic information with respect to
 22 all candidates for delegate and alternate pledged to them. Such information shall be
 23 submitted in conjunction with the list of names approved for consideration as delegate
 24 and alternate candidates pledged to the presidential candidate. (Rule 6.H.2)

25 4. Presidential candidates (including uncommitted status) shall use their best effort
 26 to ensure that their respective delegations within the state’s delegate, alternate and
 27 standing committee delegations shall achieve the affirmative action goals reflected in the

1 Affirmative Action Plan and that the respective delegations of each presidential candidate
2 shall be equally divided to the extent practicable between men and women, irrespective
3 of delegate who identify as gender non-binary. Furthermore, presidential candidates shall
4 use their best efforts at the district level to approve delegate and alternate candidates who
5 meet applicable equal division and affirmative action considerations in order to achieve
6 the affirmative action goals and equal division for their respective delegations. (Rule 6.I
7 & Reg. 4.9)

1 **Section IX**
2 **Challenges**

3 **A. Jurisdiction & Standing**

4 1. Challenges related to the delegate selection process are governed by the
5 Regulations of the DNC Rules and Bylaws Committee for the 2020 Democratic National

7 the 2020 Democratic National Convention.” (Call Appendix A), and the Washington
8 State rules regarding challenges attached as Appendix B.

9 2. Under Rule 20.B. of the 2020 Delegate Selection Rules, the DNC Rules and
10 Bylaws Committee has jurisdiction over challenges pertaining to the submission, non-
11 implementation and violation of state Delegate Selection and Affirmative Action Plans.
12 (Rule 21.B & Call Appendix A)

13 3. The Rules and Bylaws Committee has jurisdiction to hear and decide any
14 challenge provided it is initiated before the 56th day preceding the date of the
15 commencement of the 2020 Democratic National Convention. (Call Appendix A & Reg.,
16 3.1.)

17 4. Challenges to the credentials of delegates and alternates to the 2020 Democratic
18 National Convention initiated on or after the 56th day preceding the date of
19 commencement of the Democratic National Convention shall be processed in accordance
20 with the “Rules of Procedure of the Credentials Committee of the 2020 Democratic
21 National Convention.” (Call Appendix A)

22 5. Any challenge to the credentials of a standing committee member shall be
23 considered and resolved by the affected standing committee in accordance with Appendix
24 A of the Call for the 2020 Democratic National Convention. The Rules and Bylaws
25 Committee shall have jurisdiction over challenges brought before the 56th day preceding
26 the date of the commencement of the Democratic National Convention. (Call VII.B.5)

27 6. Copies of the Regulations of the Rules and Bylaws Committee and/or the Call for
28 the 2020 Democratic National Convention, including the Rules of Procedure of the
29 Credentials Committee (Call Appendix A), shall be made available by the State Party
30 upon reasonable request.

31 7. Any group of fifteen (15) Democrats with standing to challenge as defined in Reg.
32 3.2 or the Call (Call Appendix A, Sec. 2.A.), may bring a challenge to this Plan or to the
33 implementation of this Plan, including its Affirmative Action provisions.

34 **B. Challenges to the Status of the State Party and Challenges to the Plan**

35 1. A challenge to the status of the State Party Committee as the body entitled to
36 sponsor a delegation from that state shall be filed with the Rules and Bylaws Committee

1 not later than thirty (30) calendar days prior to the initiation of the state’s delegate
2 selection process. (Rule 20.A & Reg. 3.4.A)

3 2. A challenge to the state’s Delegate Selection Plan shall be filed with the Chair of
4 the Washington State Democratic Party and the Co-Chairs of the Rules and Bylaws
5 Committee within fifteen (15) calendar days after the adoption of the Plan by the State
6 Party. (Reg. 3.4.B)

7 3. A challenge to a Plan must be brought in conformity with the Rules and the Regs.,
8 which should be consulted for a detailed explanation of challenge procedures.

9 **C. Challenges to Implementation**

10 1. A challenge may be brought alleging that a specific requirement of an approved
11 Plan has not been properly implemented. Jurisdiction over all challenges initiated in a
12 timely fashion shall reside with either the Rules and Bylaws Committee or the
13 Credentials Committee of the National Convention (See Section VII.A. above). However,
14 the Rules and Bylaws Committee may provide advice, assistance or interpretations of the
15 Delegate Selection Rules at any stage of the delegate selection process. (Reg. 3.1.C)

16 2. An implementation challenge brought before the Rules and Bylaws Committee is
17 initiated by filing a written challenge with the State Party Committee and with the Rules
18 and Bylaws Committee not later than fifteen (15) days after the alleged violation
19 occurred. The State Party has twenty-one (21) days to render a decision. Within ten (10)
20 days of the decision, any party to the challenge may appeal it to the Rules and Bylaws
21 Committee. If in fact, the State Party renders no decision, any party to the challenge may
22 request the Rules and Bylaws Committee to process it. The request must be made within
23 ten (10) days after expiration of the above twenty-one (21) day period. (Reg. 3.4.C, Reg.
24 3.4.E & Reg. 3.4.H)

25 3. Performance under an approved Affirmative Action Plan and composition of the
26 convention delegation shall be considered relevant evidence in the challenge to any state
27 delegation. If a State Party has adopted and implemented an approved affirmative action
28 program, the State Party shall not be subject to challenge based solely on delegation
29 composition or primary results. (Rule 6.B.) The procedures are the same for challenges
30 alleging failure to properly implement the Affirmative Action section of a Plan, except
31 that such challenges must be filed not later than thirty (30) days prior to the initiation of
32 the state’s delegate selection process. (Reg. 3.4.C)

33 4. Depending on the appropriate jurisdiction (see Section VIII.A. above),
34 implementation challenges must be brought in conformity with the Regulations of the
35 Rules and Bylaws Committee or the Rules of Procedure of the Credentials Committee,
36 which should be consulted for a detailed explanation of challenge procedures.

Appendix B

Rules Governing Challenges

1. Overview. Challenges are initiated by filing a Statement of Challenge with the Director of Party Affairs at the State Party Office and, if relevant, with a copy to the County and/or District Chair of the jurisdiction in which the event(s) giving rise to the Challenge occurred. Upon receipt of a Statement of Challenge a Credentials Review Committee (“CRC”) consisting of the co-Chairs of the WSDCC Rules Committee, the State Director of Party Affairs Director, and the State Party Parliamentarian, will review the Challenge and will forward it to the State Convention Credentials Committee, the WSDCC Rules Committee, one or more County or Legislative Credentials Committees or decide the matter themselves, as appropriate under these Rules Governing Challenges. In deciding whether and to what committee to forward a Challenge, the CRC shall be guided by these general principles: Challenges which require little or no factual investigation and little or no rules interpretation should be decided by the CRC to minimize the burden on Credentials Committees around the State. Challenges which require significant factual investigation, or which depend wholly on factual determinations should be forwarded to the Credentials Committee of the relevant jurisdiction to determine the facts for the convenience of witnesses and to benefit from local knowledge of circumstances surrounding the events in question. Challenges wholly dependent on an interpretation of the Delegate Selection Rules or other State Party document should be decided by the WSDCC Rules Committee or the CRC to promote consistency in interpretation of rules across the state. Challenges presented for the first time fewer than 21 days before the State Convention should be determined by the Standing Committee on Credentials of the State Convention.
2. Jurisdiction. The Rules Committee (“RC”) of the WSDCC shall have jurisdiction over all Challenges to implementation or execution of any aspect of the DSAAP except to the extent jurisdiction is explicitly given by these rules to the State Convention Credentials Committee (“SCCC”) or to a Legislative District Credentials Committee (“LDCC”) or County Credentials Committee (“CCC”).
3. Credentials Review Committee. The Co-Chairs of the R C, together with the State Director of Party Affairs and the State Party Parliamentarian shall constitute the Challenge Review Committee (“CRC”). In the event that these Rules are used in a Presidential year and there is more than one bona fide Presidential Candidate seeking to elect delegates from Washington to the National Convention then at least two of the members of the CRC must refrain from endorsing or otherwise committing to any candidate in the Presidential Race until after the State Convention; provided, however, that in lieu of two members remaining neutral the CRC may elect to require that no more than two of its members may be committed to the same candidate. In the event that the CRC is unable or unwilling to comply with this provision the co-Chairs of the RC shall not be members of the CRC and the Chair of the WSDCC shall fill the result vacancies by appointing two members of the RC who will enable the CRC to comply with this

4. The SCCC shall have jurisdiction over any Challenge initiated fewer than 21 days before the State Convention together with any Challenges initiated more than 21 days before the State Convention but not resolved by the RC or the CRC.
5. All Challenges shall be initiated by submitting a Statement of Challenge to the Director of Party Affairs at the Office of the Washington State Democratic Party, with a copy to each of the other members of the CRC and to the Chair of the Legislative District or Districts in which the alleged violation upon which the Challenge is based is alleged to have occurred. If the alleged violation is alleged to have occurred at a Legislative District sub-caucus held entirely within a county, a copy should also be sent to the Chair of the County or Counties in which the alleged violation is alleged to have occurred.
6. To be timely and complete, a Statement of Challenge shall be verified by the notarized signature of each challenging party and shall include the following:
 - (a) The name, address, email address and telephone number of each challenging party and the name, address and telephone number of each challenging party's attorney, if any, or agent of record.
 - (b) A statement by each challenging party that the challenging party has not participated in the affairs of another political party during the preceding 12 month period.
 - (c) The name, address, email address and telephone number of each delegate or alternate whose credentials are challenged, or a statement that such information is unavailable to the challenging parties; or, where delegates or alternates have not yet been selected, the name, address and telephone number of each challenged party.
 - (d) A plain, concise and specific statement, in separately numbered paragraphs, of each alleged violation of the DSAAP or, if relevant, of an order of the RC or CRC.
 - (e) A plain, concise and specific statement, in separately numbered paragraphs, of how each challenging party has been injured with respect to their participation in the delegate selection process by each alleged violation.
 - (f) A plain, concise and specific statement, in separately numbered paragraphs, of the relief requested and the reason therefore. If a challenging party proposes that they be seated, the challenge shall include a plain, concise and specific statement of the reasons why that party has a right to be seated, superior to that of the delegate or alternate whose seat they seek; and a plain, concise and specific statement of how the challenging party has complied with all applicable laws, rules and regulations and has participated in the delegate selection process.
7. The CRC may take one of four actions:
 - (a) Dismiss the challenge if required by Rule 9 provided that if the challenge is not dismissed pursuant to Rule 9 the CRC shall provide a reasonable opportunity to the challenged parties to respond;

- (b) Decide the challenge if the CRC concludes based on the documentation provided with the challenge together with the response of any challenged parties that there is no material issue of fact;
- (c) Refer the challenge to the RC for determination; or
- (d) Refer the challenge to the LDCC, CCC or SCCC (as appropriate) for determination.

A decision by the CRC pursuant to Rule 8.a or 8.b must be reflected in a written opinion and may be appealed to the full RC pursuant to Rules to be established by the RC.

- 8. The CRC shall dismiss any challenge, or part of a challenge, in the event that:
 - (a) It does not fall within the jurisdiction of the RC;
 - (b) It is brought by persons lacking standing under Rule 5.b above;
 - (c) It fails to state a valid challenge;
 - (d) The same challenge has been previously resolved;
 - (e) There is no evidence in support of the challenge; or
 - (f) The challenge is frivolous.

- 9. 4 Washington State Democratic Delegate Selection Affirmative Action Outreach Plan

Background: This plan is meant to outline the timeline, steps and actions that the Washington State Democratic Central Committee (WSDCC) intends to execute in order to meet Affirmative Action goals as outlined by the Washington State Delegate Selection Plan, in Section VIII.D.3.

This plan provides *additional* detail, goal structure and expected timelines for the implementation of the Washington State Delegate Plan, Section VIII, and in no way is meant to modify or over-ride any portion of the DSAAP approved by the Washington State Democratic Central Committee on April 7th, 2019.

This will be broken into two primary categories: Efforts to Educate on the Delegate Selection Process, and Efforts to Publicize the Delegate Selection Process. Conceptual goals for each of these sections can be found within the Washington State Delegate Selection Plan under Section VIII.B and VIII.C, respectively.

All actions outlined will be led by the WSDCC Affirmative Action Committee in consultation and coordination with the WSDCC Party Affairs Director and Communications Director.

Efforts to educate on the Delegate Selection Process

- 1) Beginning in September of 2019, concurrently with the distribution of presidential nomination petitions, the State Party and its Affirmative Action Committee will begin well publicized educational workshops, in person and digitally, in each of the delegate districts. These will be predicated by Train-the-Trainer workshops at the September WSDCC Central Committee Meeting to give local leadership the tools necessary to pass along delegate selection information through local workshops. These workshops will be designed to encourage participation in the delegate selection process, including apprising potential delegate candidates of the availability of financial assistance. These workshops will be held in places that are easily accessible to persons with physical disabilities. The times, dates, places and rules for the conduct of all education workshops, meetings and other events involved in the delegate selection process shall be effectively publicized by the party organization and include mailings to various organizations representative of the Democratic voting populace.
- 2) A speakers bureau of volunteers from the Affirmative Action Committee and other interested volunteers from the State Central Committee, and County and Legislative District organizations, comprised of individuals who are fully familiar with the process, will be organized to appear before groups, as needed, to provide information concerning the process. This panel will be convened as early as September of 2019, and will begin holding necessary workshops as early as October.
- 3) The State Party's education efforts will include outreach to community leaders within the Democratic Party's constituencies and making sure that information about the delegate selection process is available to Democratic clubs and Party caucuses representing specific constituencies.
- 4) The State Party will publish and make available at no cost: a clear and concise explanation of how Democratic voters can participate in the delegate selection process; an explanation of how, where and when persons can register to vote; and delegate district maps. As well, the State Party shall also make available copies of the State Party Rules, the Delegate Selection Plan (and its attachments), the Affirmative Action Plan, and relevant state statutes at no cost. Copies of documents related to the state's

delegate selection process will be prepared and the State Democratic Chair will distribute them in the various delegate districts not later than Thursday, October 1, 2019.

- 5) The State Party shall take all feasible steps to encourage persons to register and to vote as Democrats and will seek to ensure simple and easy registration procedures.

Efforts to Publicize the Delegate Selection Process

- 1) Special attention shall be directed at publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process and where to get additional information. The foregoing information will also be published in the State Party's communications and on the State Party's website. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. These communicaes will occur in September with the distribution of the September WSDCC Call to Meeting, distributed along with the September distribution of Presidential Nomination Petitions, as well as publicized through the State Party Website as early as September 1, 2019.
- 2) Newspapers, radio, television, and the internet will be utilized to inform the general public how, when and where to participate in the delegate selection process. Specifically, this information should provide details as to how to qualify to run as a delegate candidate. Special effort shall be directed to the major daily newspapers, radio and television stations by the State Democratic Chair. Regular releases during the delegate selection process to all other media sources, weekly newspapers, and wire services should complete timely coverage.
 - a. Internet advertising will begin first in the early phases of publishing information documents related to becoming a delegate, in early September and October, and will continue through the duration of the nomination process.
 - b. Newspapers will be utilized in communicating information regarding to the Legislative District Caucuses as April 26th approaches, in coordination with the local district parties.
 - c. Radio and Television will be utilized as necessary to supplement these two primary forms of outreach where deemed necessary by the WSDCC Affirmative Action Committee with consultation with the WSDCC Communications Director to reach communities where these forms of communication are a necessary component of outreach.
- 3) A priority effort shall be directed at publicity among the Democratic Party's constituencies.
 - a. Information about the delegate selection process will be provided to minority newspapers and radio stations, ethnic press, Native American, Asian Americans and Pacific Islanders, African Americans, Hispanic Americans, and Spanish-speaking and other non-English press, radio stations and publications, and women's organizations, disability press, student newspapers, LGBTQ press, and any other specialty media in the state that is likely to reach the Democratic constituency groups set forth in the Affirmative Action Plan Section I.A
 - b. The State Party shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of Legislative District caucuses, county conventions, congressional district caucuses and the State Convention shall be effectively publicized, multilingual where necessary, to encourage the participation of minority groups.

- 4) Not later than Monday, September 16, 2019, the State Party will make information about the delegate selection process available on its website and publicize the resource through press releases and communications to Party leaders, activists, and targeted constituencies. Information to be posted on the website will include:
 - a. a summary of all pertinent rules related to the state's delegate selection process;
 - b. a map of delegate districts and how many delegates will be elected within each district;
 - c. a summary explaining the operation and importance of the 2020 Convention; and
 - d. materials designed to encourage participation by prospective delegate candidates.

WASHINGTON DEMOCRATS VOTE TO MOVE FROM CAUCUS TO PRIMARY SYSTEM

Democrats Adopt March 2020 State-Run Primary Election *Caucuses Still Choose Who Goes to DNC Convention*

PASCO, WA: Washington’s Democrats will nominate their favorite candidate for President using government-issued mail-in-ballots instead of weekend caucus meetings held in churches and gymnasiums.

“Democrats in Washington are ready for the big show in 2020,” said **Tina Podlodowski, Chair of the Washington State Democrats**. “We look forward to more Presidential candidate attention and visits, increasing voter and activist engagement, and lifting up Democrats at all levels on the 2020 ballot.”

Today, the Washington State Democratic Central Committee voted 121 - 40 to use the March 2020 primary results to apportion delegates. Delegates to the Democratic National Convention, scheduled for July 2020 in Milwaukee, will still be chosen by caucus votes.

Next, the state Democrats will send their plan to the DNC for approval.

Until now, the state’s Democratic voters had used a caucus-only system praised for its community atmosphere and criticized for its sometimes chaotic and exclusionary process. More than 12,800 people submitted their votes and comments to the WA Democrats; 93.6% of those submitting votes supported the primary-caucus hybrid ratified today.

One commenter, **Nick Rosenblatt in Lakewood**, submitted that “The caucus system doesn’t allow the majority of voters to participate. Work and child care scheduling has prohibited my wife and me from ever attending a caucus, and we vote in every election. More voters will be heard if more voters have the opportunity.”

Another commenter, **Stephanie Kountorous in Bellingham**, submitted that "Caucuses give us the chance to meet neighbors and really talk about candidates and issues. More importantly - caucuses give every citizen a chance to be a party delegate and represent their views and communities. With a caucus system, WA State has had one of the most consistently diverse delegations representing our state over history." Kountorous is a former State Committeewoman and party vice-chair.

Washington State recently passed changes to Washington’s presidential primary to move the date from late May to the second Tuesday in March, and to bring it into compliance with DNC rules, allowing the primary to be used for delegate apportionment. Before these changes, Washington’s government-run primary did not comply with DNC rules for use to apportion delegates and the results of these elections were not factored in to Washington’s Democratic delegate apportionment.

Dear Lorraine and James,

Title 29A of the Revised Code of Washington governs the administration of primaries and elections in the State of Washington.

Title 29A contains all specific statutes that govern election administration in the state of Washington generally, and except as provided in RCW 29A.56.010-060 all aspects of the presidential primary are the same as all other primaries and general elections in Washington State.

In the 2019 Legislative Session, the Washington State Legislature amended the statutes governing Presidential Primaries. The applicable bill, Senate Bill 5273, was signed into law by Governor Jay Inslee on March 14, 2019, becoming Session Law 5273, which takes effect on July 28, 2019. Chapter 29A.56 Revised Code of Washington

SPECIAL CIRCUMSTANCES ELECTIONS

PRESIDENTIAL PRIMARY

29A.56.010

Intent.

*** CHANGE IN 2019 *** (SEE 5273.SL) ***

The people of the state of Washington declare that:

(1) The current presidential nominating caucus system in Washington state is unnecessarily restrictive of voter participation in that it discriminates against the elderly, the infirm, women, the disabled, evening workers, and others who are unable to attend caucuses and therefore unable to fully participate in this most important quadrennial event that occurs in our democratic system of government.

(2) It is the intent of this chapter to make the presidential selection process more open and representative of the will of the people of our state.

(3) A presidential primary will afford the maximum opportunity for voter access at regular polling places during the daytime and evening hours convenient to the most people.

(4) This state's participation in the selection of presidential candidates shall be in accordance with the will of the people as expressed in a presidential preference primary.

(5) It is the intent of this chapter, to the maximum extent practicable, to continue to reserve to the political parties the right to conduct their delegate selection as prescribed by party rules insofar as it reflects the will of the people as expressed in a presidential primary election conducted every four years in the manner described by this chapter.

Date.

*** CHANGE IN 2019 *** (SEE 5273.SL) ***

(1) On the fourth Tuesday in May of each year in which a president of the United States is to be nominated and elected, a presidential primary shall be held at which voters may vote for the nominee of a major political party for the office of president. The secretary of state may propose an alternative date for the primary no later than the first day of August of the year before the year in which a president is to be nominated and elected.

(2) No later than the first day of September of the year before the year in which a presidential nominee is selected, the state committee of any major political party that will use the primary results for candidates of that party may propose an alternative date for that primary.

(3) If an alternative date is proposed under subsection (1) or (2) of this section, a committee consisting of the chair and the vice chair of the state committee of each major political party, the secretary of state, the majority leader and minority leader of the senate, and the speaker and the minority leader of the house of representatives shall meet and, if affirmed by a two-thirds vote of the members of the committee, the date of the primary shall be changed. The committee shall meet and decide on the proposed alternate date not later than the first day of October of the year before the year in which a presidential nominee is selected. The secretary of state shall convene and preside over the meeting of the committee. A committee member other than a legislator may appoint, in writing, a designee to serve on his or her behalf. A legislator who is a member of the committee may appoint, in writing, another legislator to serve on his or her behalf.

(4) If an alternate date is approved under this section, the secretary of state shall adopt rules under RCW [29A.04.620](#) to adjust the deadlines in RCW [29A.56.030](#) and related provisions of this chapter to correspond with the date that has been approved. States' agreement—Presidential election—National popular vote.

The agreement among the states to elect the president by national popular vote is hereby entered into and enacted into law with all jurisdictions legally joining therein, in the form substantially as follows:

ARTICLE I - Membership

Any state of the United States and the District of Columbia may become a member of this agreement by enacting this agreement.

ARTICLE II - Right of the People in Member States to Vote
For President and Vice President

Each member state shall conduct a statewide popular election for president and vice president of the United States.

ARTICLE III - Manner of Appointing Presidential Electors
In Member States

Prior to the time set by law for the meeting and voting by the presidential electors, the chief election official of each member state shall determine the number of votes for each presidential slate in each state of the United States and in the District of Columbia in which votes have been cast in a statewide popular election and shall add such votes together to produce a "national popular vote total" for each presidential slate.

The chief election official of each member state shall designate the presidential slate with the largest national popular vote total as the "national popular vote winner."

The presidential elector certifying official of each member state shall certify the appointment in that official's own state of the elector slate nominated in that state in association with the national popular vote winner.

At least six days before the day fixed by law for the meeting and voting by the presidential electors, each member state shall make a final determination of the number of popular votes cast in the state for each presidential slate and shall communicate an official statement of such determination within twenty-four hours to the chief election official of each other member state.

The chief election official of each member state shall treat as conclusive an official statement containing the number of popular votes in a state for each presidential slate made by the day established by federal law for making a state's final determination conclusive as to the counting of electoral votes by congress.

In event of a tie for the national popular vote winner, the presidential elector certifying official of

each member state shall certify the appointment of the elector slate nominated in association with the presidential slate receiving the largest number of popular votes within that official's own state.

If, for any reason, the number of presidential electors nominated in a member state in association with the national popular vote winner is less than or greater than that state's number of electoral votes, the presidential candidate on the presidential slate that has been designated as the national popular vote winner shall have the power to nominate the presidential electors for that state and that state's presidential elector certifying official shall certify the appointment of such nominees.

The chief election official of each member state shall immediately release to the public all vote counts or statements of votes as they are determined or obtained.

This article shall govern the appointment of presidential electors in each member state in any year in which this agreement is, on July 20, in effect in states cumulatively possessing a majority of the electoral votes.

ARTICLE IV - Other Provisions

This agreement shall take effect when states cumulatively possessing a majority of the electoral votes have enacted this agreement in substantially the same form and the enactments by such states have taken effect in each state.

Any member state may withdraw from this agreement, except that a withdrawal occurring six months or less before the end of a president's term shall not become effective until a president or vice president shall have been qualified to serve the next term.

The chief executive of each member state shall promptly notify the chief executive of all other states of when this agreement has been enacted and has taken effect in that official's state, when the state has withdrawn from this agreement, and when this agreement takes effect generally.

This agreement shall terminate if the electoral college is abolished.

If any provision of this agreement is held invalid, the remaining provisions shall not be affected.

ARTICLE V - Definitions

For purposes of this agreement:

"Chief executive" shall mean the governor of a state of the United States or the mayor of the District of Columbia;

"Elector slate" shall mean a slate of candidates who have been nominated in a state for the position of presidential elector in association with a presidential slate;

"Chief election official" shall mean the state official or body that is authorized to certify the total number of popular votes for each presidential slate;

"Presidential elector" shall mean an elector for president and vice president of the United States;

"Presidential elector certifying official" shall mean the state official or body that is authorized to certify the appointment of the state's presidential electors;

"Presidential slate" shall mean a slate of two persons, the first of whom has been nominated as a candidate for president of the United States and the second of whom has been nominated as a candidate for vice president of the United States, or any legal successors to such persons, regardless of whether both names appear on the ballot presented to the voter in a particular state; "State" shall mean a state of the United States and the District of Columbia; and "Statewide popular election" shall mean a general election in which votes are cast for presidential slates by individual voters and counted on a statewide basis. [[2009 c 264 § 2.](#)]

NOTES:

Intent—2009 c 264: "It is the intent of the legislature to enter into the agreement among the states to elect the president by national popular vote. This agreement is a contract between the member states. As a contract, this agreement is governed by the legal principles applicable to contracts. As with a contract, in order for this agreement to have the force of law in a jurisdiction that wishes to enter into the agreement, it must be accepted in precisely the same terms that constitute the offer. Any material variance between the offer and acceptance precludes the formation of a contract. Therefore, the agreement among the states to elect the president by national popular vote must be enacted by Washington under identical terms as contained in the agreement and as enacted by Hawaii, Illinois, Maryland, and New Jersey, subject to only nonmaterial changes." [[2009 c 264 § 1.](#)]

Nomination—Pledge by electors—What names on ballots—How counted.

In the year in which a presidential election is held, each major political party and each minor political party or independent candidate convention that nominates candidates for president and vice president of the United States shall nominate presidential electors for this state. The party or convention shall file with the secretary of state a certificate signed by the presiding officer of the convention at which the presidential electors were chosen, listing the names and addresses of the presidential electors. Each presidential elector shall execute and file with the secretary of state a pledge that, as an elector, he or she will vote for the candidates nominated by that party. The names of presidential electors shall not appear on the ballots. The votes cast for candidates for president and vice president of each political party shall be counted for the candidates for presidential electors of that political party; however, if the interstate compact entitled the "agreement among the states to elect the president by national popular vote," as set forth in RCW [29A.56.300](#), governs the appointment of the presidential electors for a presidential election as provided in clause 9 of Article III of that compact, then the final appointment of presidential electors for that presidential election shall be in accordance with that compact.

Nominations of candidates for president and vice president of the United States, other than by a major political party, may be made at a convention conducted not earlier than the first Saturday in May and not later than the fourth Saturday in July in the year that president and vice president appear on the general election ballot. A minor political party may hold more than one convention but in no case shall any such party nominate more than one candidate for president or more than one candidate for vice president. To be valid, a convention must be attended by at least one hundred registered voters, but a minor party or independent candidate holding multiple conventions may add together the number of signatures of different individuals from each convention in order to obtain and submit to the secretary of state the signatures of at least one thousand registered voters of the state of Washington.

29A.56.650

Multiple certificates of nomination.

(1) If two or more valid certificates of nomination are filed purporting to nominate different candidates for the same position using the same party name, the filing officer must give effect to both certificates. If conflicting claims to the party name are not resolved either by mutual agreement or by a judicial determination of the right to the name, the candidates must be treated as independent candidates. Disputes over the right to the name must not be permitted to delay the printing of either ballots or a voters' pamphlet. Other candidates nominated by the same conventions may continue to use the partisan affiliation unless a court of competent jurisdiction directs otherwise.

(2) A person affected may petition the superior court of the county in which the filing officer is located for a judicial determination of the right to the name of a minor political party, either before or after documents are filed with the filing officer. The court shall resolve the conflict between competing claims to the use of the same party name according to the following principles: (a) The prior established public use of the name during previous elections by a party composed of or led by the same individuals or individuals in documented succession; (b) prior established public use of the name earlier in the same election cycle; (c) the nomination of a more complete slate of candidates for a number of offices or in a

number of different regions of the state; (d) documented affiliation with a national or statewide party organization with an established use of the name; (e) the first date of filing of a certificate of nomination; and (f) such other indicia of an established right to use of the name as the court may deem relevant. If more than one filing officer is involved, and one of them is the secretary of state, the petition must be filed in the superior court for Thurston county. Upon resolving the conflict between competing claims, the court may also address any ballot designation for the candidate who does not prevail.

29A.56.660

Presidential electors—Selection at convention.

A minor political party or independent candidate convention nominating candidates for the offices of president and vice president of the United States shall, not later than ten days after the adjournment of the convention, submit a list of presidential electors to the office of the secretary of state. The list shall contain the names and the mailing addresses of the persons selected and shall be verified by the presiding officer of the convention.

[[2004 c 271 § 156](#). Formerly RCW [29A.20.181](#).]

29A.56.670

Certificate of nomination—Checking signatures—Appeal of determination.

Upon the receipt of the certificate of nomination, the secretary of state shall check the certificate and canvass the signatures on the accompanying nominating petitions to determine if the requirements of RCW [29A.56.640](#) have been met. Once the determination has been made, the secretary of state shall notify the presiding officer of the convention and any other persons requesting the notification, of his or her decision regarding the sufficiency of the certificate or the nominating petitions. Any appeal regarding the secretary's determination must be filed with the superior court of Thurston county not later than five days from the date the determination is made, and shall be heard and finally disposed of by the court within five days of the filing. Nominating petitions shall not be available for public inspection or copying.

4 RCW 29A.56.010; and repealing RCW 29A.56.030.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 **Sec. 1.** RCW 29A.56.020 and 2003 c 111 s 1402 are each amended to
7 read as follows:

8 (1) On the (~~fourth~~) second Tuesday in (~~May~~) March of each
9 year in which a president of the United States is to be nominated and
10 elected, a presidential primary shall be held at which voters may
11 vote for the nominee of a major political party for the office of
12 president.

13 (2) (a) The secretary of state may propose an alternative date for
14 the primary, including to coordinate a regional primary with any of
15 the following states: Alaska, Arizona, California, Hawaii, Idaho,
16 Montana, Nevada, Oregon, and Utah, no later than the first day of
17 (~~August~~) September of the year before the year in which a president
18 is to be nominated and elected. The proposed date must not be prior
19 to the earliest date permitted by the national rules of the major
20 political parties.

1 (~~(2)~~) (b) No later than the (~~(first)~~) fifteenth day of
2 September of the year before the year in which a presidential nominee
3 is selected, the state committee of any major political party that
4 will use the primary results for candidates of that party may propose
5 an alternative date for that primary.

6 (3) If an alternative date is proposed under subsection (~~(1)~~
7 ~~or~~) (2)(a) or (b) of this section, a committee consisting of the
8 chair and the vice chair of the state committee of each major
9 political party, the secretary of state, the majority leader and
10 minority leader of the senate, and the speaker and the minority
11 leader of the house of representatives shall meet and, if affirmed by
12 a two-thirds vote of the members of the committee, the date of the
13 primary shall be changed. The committee shall meet and decide on the
14 proposed alternate date not later than the first day of October of
15 the year before the year in which a presidential nominee is selected.
16 The secretary of state shall convene and preside over the meeting of
17 the committee. A committee member other than a legislator may
18 appoint, in writing, a designee to serve on his or her behalf. A
19 legislator who is a member of the committee may appoint, in writing,
20 another legislator to serve on his or her behalf.

21 (4) If an alternate date is approved under this section, the
22 secretary of state shall adopt rules under RCW 29A.04.620 to adjust
23 the deadlines in (~~(RCW 29A.56.030)~~) section 2 of this act and related
24 provisions of this chapter to correspond with the date that has been
25 approved.

26 NEW SECTION. **Sec. 2.** A new section is added to chapter 29A.56
27 RCW to read as follows:

28 (1) Each party must determine which candidates are to be placed
29 on the presidential primary ballot for that party. The chair of each
30 party must submit to the secretary of state the names of the
31 candidates to appear on the ballot for that party no later than
32 sixty-three days before the presidential primary. Once submitted,
33 changes must not be made to the candidates that will appear on the
34 ballot.

35 (2) No later than the seventh day before the presidential
36 nomination primary, the chair of each party must submit to the
37 secretary of state the names of write-in candidates, if any, to be
38 counted for that party.

1 **Sec. 3.** RCW 29A.56.040 and 2013 c 11 s 54 are each amended to
2 read as follows:

3 (1) Except where necessary to accommodate the national or state
4 rules of a major political party or where this chapter specifically
5 provides otherwise, the presidential primary must be conducted in
6 substantially the same manner as a state primary under this title.

7 (2) The arrangement and form of presidential primary ballots must
8 be established by administrative rule adopted under RCW 29A.04.620,
9 and in consultation with the major political parties. Only the
10 candidates who have (~~qualified under RCW 29A.56.030~~) been submitted
11 under section 2 of this act may appear on the ballots.

12 (3) Each party's ballot or portion of the ballot must list
13 alphabetically the names of all candidates for the office of
14 president for that party. The ballot must clearly indicate the
15 political party of each candidate. (~~Each ballot must include a blank~~
16 ~~space to allow the voter to write in the name of any other~~
17 ~~candidate.~~)

18 (4) If requested by a party chair, the ballot for that party must
19 contain a place for a voter to indicate a preference for having
20 delegates to the party's national convention remain uncommitted. A
21 request under this subsection must be submitted to the secretary of
22 state no later than sixty-three days before the presidential primary.

23 (5) A presidential primary ballot with votes for more than one
24 candidate is void, and notice to this effect, stated in clear, simple
25 language and printed in large type, must appear on the face of each
26 presidential primary ballot or on or about each voting device.

27 (6) Notice must be published in the manner required by RCW
28 29A.52.355.

29 **Sec. 4.** RCW 29A.56.050 and 2003 c 111 s 1405 are each amended to
30 read as follows:

31 (1) A major political party may, under national or state party
32 rules, base the allocation of delegates from this state to the
33 national nominating convention of that party in whole or in part on
34 the participation in precinct caucuses and conventions conducted
35 under the rules of that party.

36 (2) If requested by a major political party, the secretary of
37 state shall adopt rules under RCW 29A.04.620 to provide for any
38 declaration required by that party.

1 (3) Voters who subscribe to a specific political party
2 declaration under this section may only vote for a candidate of that
3 party. Each list of candidates on ballots must be ~~((given ballots~~
4 ~~that are))~~ readily distinguishable from ~~((those given to other~~
5 ~~voters))~~ the list of candidates for any other party. Votes cast by
6 persons making these declarations must be tabulated and reported
7 separately from other votes cast at the primary and may be used by a
8 major political party in its allocation of delegates under the rules
9 of that party.

10 (4) For a political party that requires a specific voter
11 declaration under this section, the secretary of state shall
12 prescribe rules for providing, to the state and county committees of
13 that political party, a copy of the declarations or a list of the
14 voters who participated in the presidential nominating process of
15 that party.

16 **Sec. 5.** RCW 29A.60.190 and 2015 c 146 s 4 are each amended to

19 days after a presidential primary held pursuant to chapter 29A.56
20 RCW, fourteen days after a primary, or twenty-one days after a

30 read as follows:

31 No record may be created or maintained by a state or local
32 governmental agency or a political organization that identifies a

35 ~~political party affiliation))~~ except the declarations made under RCW
36 29A.56.050(2).
